

Formal requirements

The thesis should be handed in typed in 2 copies, one bound and one spiralled. It should also be submitted in PDF format.

The cover should contain the word “thesis” on it, the name of the student, his or her major, and the year that the thesis was written.

The inside cover should contain the word “thesis” and the title of the thesis in both Hungarian and English, as well as the year the thesis was written.

The lower left corner should contain the name and rank of the chief consultant and the lower right corner the name of the student, his or her major, and the year the thesis was written.

Attachment: The student must also attach a statement to the effect that the thesis is the student’s own original work.

Length: At least 40 thousand characters (20 pages), but not exceeding 44 thousand characters. This length does not include the inside title page, list of contents, bibliography, etc.

Font: Times New Roman 12, double-spaced, with 2.5 cm. margins.

The thesis must be written in English.
